Nerds

Bo Burnham

I'm a faggot, I'm a retard, I got a girl's bag and a v-
card,
I got 3 friends and a whack ass ride,
You can judge by the cover but it's shitty on the
inside,
No girls wanna fuck me, trust me,
I don't give a fuck, don't adjust me,
Just please shut your face hole for just one second,
"Fuck you faggot, you're so fucking dumb"
Dumb? I'm the dumb one?
Calm down bo, just count to ten, um,
One, two, three, whore- I meant four shit,
Three, four, five, bitch- I meant six, shit,
I quit, I got no patience, you won, I face it
Your life peaks at graduation,
Well congratu-fucking-lations,

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
The nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid,
Do you know why, kid, I can rap so mean?
I was reading while you were fucking the prom queen,
Huddled up reading, no lacrosse team,
Huddle up, huddle up
What? You lost me,
Sorry bro did I inturrupt the,
Circle of jerks all circle jerking,
I need to savin, fuck, no,
Quote the raven, fuck poe,
Ah shit, I'm bitchin, listen

They don't know what they're missing, for instance,
I like poetry, I like instruments. Maybe we have
similar interests?
It's no fall balls, no balls fall,
Just sit and scawl on the stall walls,
3 pm I pause, *bell rings* that shit sounds like
applause,

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
Nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid

She stood in line and got cut,
Tried out, got cut,

Loved art, but the budget got cut,
Then she got numb but she only felt when she knelt and
cut

Nerds,
The faggots,
The spastic fat chicks who,
Sit in the back with no one to do their lab with,
Nerds,
The kid with acne,
And tons of proactive,
Packed inside his backpack,
I got your back, kid

I know it's bad kid,
I got your back kid
