

# I Wanna Rule The World

10cc

I wanna be a boss  
I wanna be a big boss  
I wanna boss the world around  
I wanna be the biggest boss  
that ever bossed the world around

I wanna do it right  
I wanna do it right away  
I wanna do it right now  
I wanna do it right away  
I wanna do it now

Don't wanna be a dancer in the Bolshoi Ballet  
Don't want to work for Daddy  
In Daddy's shop, O.K.

I get confused, so confused  
I get a pain, I get a pain up here  
In the Shirley Temples

What you gonna do  
How you gonna do it  
What you gonna do  
How you gonna do it

Little by little, ooh ooh  
Little by little, bit by bit

Sssh! Not too loud, don't tell everybody  
Don't give away the game  
Oooh, oooh,  
I aint quite ready to reveal my campaign

This is not the time  
My hero's are alive and well in a cave  
I'm keeping them on ice in suspended animation  
Till the very right occasion comes along

To our rally come along  
Come along to our rally  
Come along to our rally come along

To our rally come along  
Come along to our rally  
Come along to our rally come along

A Brave new world will rise from the ashes  
And there upon a rock titanic, I'll cast a giant  
Shadow on the face of the deep  
And never again will they dare to call me  
A freckled, spotty, specky, four eyed  
Weedy little creep!

No more tremblin' and quakin' in the gym  
No more come on fellas, let's get him

What you gonna do

How you gonna do it  
What you gonna do  
How you gonna do it

Little by little, ooh, ooh  
Little by little, bit by bit  
Little by little, ooh, ooh  
Little by little, bit by bit  
bit by bit  
bit by bit

Everyone's going to be free  
But they'll have to agree to be free  
They'll have to agree to be less free than me  
'Cos I rule the world you see

So wait for the army of kiddy-winkies  
And terrible tiny tots  
In armoured school buses  
Firing poison pea-shooters  
And sinking their milk teeth into your thighs  
Delapsus resurgam! when I fall I shall rise!

Wanna be a boss  
I wanna be a big boss  
I wanna boss the world around  
I wanna be the biggest boss  
that ever bossed the world around
