

# Stay

12 Stones

Ami G F  
I walk to the edge again  
Ami G F  
searching for the truth.  
Ami G F  
Taken by the memories  
Ami G F  
of all that I've been through.

G Ami  
If I could hear your voice  
F G  
I know that I would be okay.  
Ami  
I know that I've been wrong  
F G  
but I'm begging you to stay, won't you stay!

F G Ami G  
Will you be here or will I be alone,  
F G Ami G  
will I be scared, you'll teach me how to be strong.  
F G Ami G  
And if I fall down will you help me carry on,  
F G Ami G F Ami G F  
I cannot do this alone

I wish that I could turn back time.  
Just to have one more chance  
to be the man I need to be,  
I pray you'll understand.
