Regret? I don't think so
Revenge? You fucking bet
Payback's a fucking bitch
Vengeance no one's forgot

I mix it with excrement
And now I'm ignoring you
Help me
Fuck me
That pig was my enemy
Cut me
Break me
That bitch is gonna die for me

Don't bring my body back to life
Raised in denial and taking a drive
Don't bring my body back to life
Slipping away to Heaven's eyes
Heaven's eyes

Cops don't do anything
But bitch
