

# Lemon Drop

## 2 Skinnee J's

You tell me hey big daddy, you're looking like a million  
Flash a billion dollar smile, then change like a chameleon  
You talk dirty to make me come clean  
Now I get the message like an answering machine

You don't want me you just want me around  
Picking you up while you're bringing me down  
Picking you up while you're bringing me down

You're my lemon drop  
Sweet and sour lollipop  
Seal my fate with puckered lips  
I return the kisses you give

You look like candy to a baby  
Like you've got the magic touch  
But you're burning on my tongue  
And you're stinging in my cuts

As you put on your mask for the masquerade  
So you can break all the rules when the game is played  
You say take it easy while I'm working hard  
But you're behind the wheel while I'm pushing the car

You don't want me you just want me around  
Picking you up while you're bringing me down  
Picking you up while you're bringing me down

You're my lemon drop  
Sweet and sour lollipop  
Seal my fate with puckered lips  
I return the kisses  
You're my lemon drop  
Sweet and sour lollipop  
Seal my fate with puckered lips  
I return the kisses you give

I don't wanna know  
I don't wanna see  
I don't wanna think  
But it's obvious to me

You don't want me you just want me around  
Picking you up while you're bringing me down  
Picking you up while you're bringing me down  
Picking you up while you're bringing me down

Yeah, you're my lemon drop  
Sour kisses, sugar lollipop  
Sour kisses, sugar lollipop  
Sour kisses, sugar lollipop

Yeah, you're my lemon drop
