

# I Am Ready

2 Unlimited

C'mon everybody!  
Listen to what I wanna say  
I got news for you and it goes this way  
Let's start by screamin' and shoutin' it all night long  
Cause this is where we all belong

We've got soul in our hearts  
We got soul In our blood  
And you better believe that we just can't stop  
C'mon Baby!  
C'mon Baby!  
If you hear my voice, baby let me know!

I am ready!  
Yes I'm ready!  
Ready for the sound  
Ready for the groove  
I am ready!  
Yes I'm ready!  
Let me, let me, let me bust a move!

Oooh, oooh  
C'mon  
C'mon  
Get ready  
C'mon  
C'mon

You can't fake the feeling  
Just be who you wanna be  
I'm a part of you as you're a part of me  
Cause baby this time we're taking it to the top  
And we won't ever let it stop

If you wanna get up, if you wanna get down  
I can turn you up and around and around  
C'mon Baby!  
C'mon Baby!  
If you hear my voice baby let me know!

Yeah, yeah, yeah!

I am ready!  
Yes I'm ready!  
Ready for the sound  
Ready for the groove I am ready!  
Yes I'm ready!  
Let me, let me, let me  
I am ready!  
Yes I'm ready!  
Ready for the sound  
Ready for the groove  
I am ready!  
Yes I'm ready!  
Let me, let me, let me bust a move!
