

Heavenly Sleep

25 Ta Life

Falling to pieces
I need some relief
Falling to pieces
Lifes toll don't come cheap
Falling to pieces
I need an escape
Falling to pieces
Everyday struggle
I need some relief

And as the angels come down
And they give you your wings
Fly, fly away for your heavenly sleep

May you rest in peace
Heavenly sleep
May you rest in peace

In a world so cold
Where death awaits us all
Enjoy the time we have
Make the best of what you got
