Respect to those who remain true.
Don't acknowledge your claims you want cash and fame.
You don't know what it's about your in the wrong scene.
One for all, and all for one together we make hardcore go.
Use the scene but don't know what it's about.
Steady front out to prove your #1 but who cares.
Be your own person.
When your done frontin we'll be here doin what we love.
Right to unite.
Positive hardcore.
Right to unite.
Those with a positive view.
Positive hardcore, GO.
