

Wildest Moments

2AM Club

You and I, bloodlines
We come together every time
Two wrongs, no rights
We lose ourselves at night

From the outside, from the outside
Everyone must be wondering why we try
Why do we try?

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all

Wait on, thunder sky
Wherever there's smoke, there'll soon be fire
What could bring bad luck?
I've been looking at you too much

From the outside, from the outside
Everyone must be wondering why we try
Why do we try?

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all

We bang our heads together talking like we're crazy
I bang my head against the wall it feels like daily
I wanna know why you stay in my veins
Why I can't let you go, but I can't let you stay every day

'Cause we be something odd
On our E.T. swag with our middle finger up like "fuck them all"
I be on that shit all day feeling like breaking the law
I'll itching to get you twisted other girls would be appalled, but you stay
You know I'm kind of crazy when I act like
You always wrong, girl that shit ain't even half right
I've been around the country girls ain't even half tight
Way you looking at me like I knew you in a past life like
We love the pain
We've been through drama I couldn't name
But it's okay it's why I'm really trusting you
In the same way if it wasn't wild these moments wouldn't do
I'm cool

Baby, in our wildest moments
We could be the greatest, we could be the greatest

Maybe in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all

Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
Baby, in our wildest moments
We could be the greatest, we could be the greatest
Maybe in our wildest moments
We could be the worst of all
