### [Tupac]

Now we've been kickin it for quite some time Remained beside me through my trials in this life of crime We divorced so many times I forgot to count I never hit you, not a coward, rather leave your house Remember back in December when we was tight? Sippin Alize and Cristal, whylin every night - in my bedroom! Promised that I commit to you soon Tongue-kissed me every time you seen me step inside a room Straight out the hood We promised to be good to each other, plus I love you So I know you gon' make a good mother Just try to understand if I change at times it's only cause I never owned anything that's mine So I'm tryin you can stay with my momma but keep the drama to a low Never call the police, I never call you bitch and ho We were all born hungry in this world alone Finally moved out my mom's house, and got a happy home

### [Chorus]

Ha..ppy.. home..
(let's turn this house into a happy home)
Ha..ppy.. home..
(finally made it out my mom's house, got a happy home)
Ha..ppy.. home..
(turn this house into a happy home)
Ha..ppy.. home..

#### [Tupac]

Goin through hard times, ghetto child of mine I wonder if you have to suffer for your father's crimes To be honest it's a hard road Just keep your faith in God, knowin you'll get scarred though Look at him walkin and talkin, a lil' child with my eyes and mouth Father watch over lil' seeds, help me guide them out Had to change my whole lifestyle, married my baby's momma Made her my wife now, I'm tryin hard y'all Maybe in time I'll be a better man Watchin the older couples, handle it like veterans Show me the meaning of forever and together we rise If it would help our child grow, then together we'd die Why - question my love, it's so easy to see Without my family all I'm left with is a shadow of me After all the arguments, and the nights alone Now it's time to live the good life, inside a happy home

# [Chorus] Ha..ppy.. home.. (turn this house into a happy home)
