

## Never B Peace

2pac

Now of course I want peace on the streets  
But realistically  
Painting perfect pictures ain't never work  
My misery was so deep  
Couldn't sleep through all my pressures  
In my quest for cash  
I learned fast  
Using violent measures  
Memories of adolescent years  
Their was unity  
But after puberty we brought war  
To our community  
So many bodies dropping  
Its gotta stop  
I want to help  
But still I'm stepping  
Keeping my weapon  
Must protect myself  
The promise of a better tomorrow  
ain't never reach me  
Plus my teachers were to petrified in class to teach me  
Sipping thunderbird  
And grape cool-aid  
Calling Earl since my stomach was empty  
It seduced me to fuck the world  
Watch my 'lil homies  
Lose there childhood to guns  
Nobody cries no more  
Cause we all die for fun  
So why you ask me if I want peace  
If you can't grant it  
Niggas fighting across the whole planet  
So we can never be peace

Will there ever be peace?  
Or all we all just headed for doom,  
Still consumed by the beefs,  
And I know there never be peace,  
That's why I keep my pistol when I walk the streets  
Cause there can never be peace

Somebody owes me  
Will they control me?, nah  
I ain't a hater playa  
But I want all you got  
Your babies have babies  
Now we fighting each other  
My dogs got rabies  
They biting each other  
'n' it ain't hard to find a friend like mine  
Big fully is a bully  
And he don't mind dying  
And I gotta be bright  
Miss sign after sign  
Time after time  
After time after time  
And I don't like nobody

They don't like me more  
And I'm cool with that finally  
But they heard it before  
Dog  
We living in a prison  
Losing our religion on em  
Thanks given when thankful just for living in hell  
Damn homey I don't mean to be harsh  
But it's the devil in the ghetto trying to tear it apart  
And if we make it up out  
We still stuck in the dark  
Will there ever be peace?  
Just the peace in my heart  
Never

The only peace we got  
Is the peace in our heart  
Or the peace in our mind  
Right there in piece that we hold in our waste line  
Feel me dog?  
Cm'on

Will there ever be peace?  
Or all we all just headed for doom,  
Still consumed by the beefs,  
And I know there never be peace, (never)  
that's why I keep my pistol when I walk the streets  
'Coz there can never be peace

Things are changing  
Nigga you better fantasize  
I'm only concerned about me and mine in these times  
The world is a ghetto where peace is not a part of it  
We all goin' need God if we plan to get out of this  
Niggas spending too much time hating on each other  
Niggas buyin' guns  
Load em up  
Aim at each other  
And the victim is you and me  
The secret is true indeed  
The good die  
Mostly over bullshit  
Repeatedly  
Deep in me there's a part that wants nothing but love  
But the rest of me knows war is what's waiting for us  
So I stays ready  
Keep my pay heavy and boss up  
Stack my funds and my guns  
Never rely on luck  
Asking God to point out the imposters  
Never let no weapon formed against me prosper  
Cause they'll never be peace  
So don't rely on it  
Soldiers die for  
And in the ghetto, they trying for it  
FUCK PEACE

Will there ever be peace?  
Or all we all just headed for doom,  
Still consumed by the beefs,  
And I know there never be peace,  
That's why I keep my pistol when I walks the streets  
Cause there can never be peace

Will there ever be peace?  
Or all we all just headed for doom,  
Still consumed by the beefs,  
And I know there never be peace,  
That's why I keep my pistol when I walks the streets  
Cause there can never be peace

Will there ever be peace?  
Or all we all just headed for doom,  
Still consumed by the beefs,  
And I know there never be peace,  
That's why I keep my pistol when I walks the streets  
Cause there can never be peace

Shit, fuck peace  
On the strength till my niggas get a piece  
We can't have peace  
How the fuck we gonna live happy if we ain't got none?  
You motherfuckers is smiling, but I'm mean mugging  
Why? Cause gotta be thugging  
I've seen drugs done turned this motherfucking hood out  
All us niggas acting up  
Wild ass motherfucking adolescents  
These niggas ain't even got no childhoods no more  
How the fuck can you have a childhood and you have a funeral every motherfucking weekend  
And you motherfuckers talking about peace?  
Nigga, it ain't no motherfucking peace  
You ain't seen the news motherfucker?  
You ain't heard?  
Little babies getting smoked  
Motherfuckers killing there whole family  
'Lil kids getting thrown off buildings  
Motherfuckers gettin abused  
Peace? Niggas you out your motherfucking mind?  
Fuck peace  
We can't never have peace, till you motherfuckers clean up this mess you made  
'Till you fucking clean up the dirt you dropped  
'Till we get a piece  
Fuck peace
