

# Be Like That

3 Doors Down

**G**

**Dsus2 Emi9**

1. He spends his nights in California, watching

**Cadd9**

the stars on the big screen

Then he lies awake and he wonders, why

can't that be me

Cause in his life he is filled with all these  
good intentions

He's left a lot of things he'd rather not  
mention right now

But just before he says goodnight, he looks  
up with a little smile at me and says

**G5**

**D5**

R: If I could be like that, I would  
give anything

**E5**

**C5**

Just to live one day, in those shoes

If I could be like that, what would I do,  
what would I do

Now and dreams we run

2. She spends her days up in the north park,  
watching the people as they pass  
And all she wants is just a little piece of  
this dream, is that too much to ask  
With a safe home, and a warm bed, on a  
quiet little street  
All she wants is just that something to  
hold onto, that's all she needs

Yeah!

R: If I could be like that...

I'm falling into this, in dreams  
we run away

R: If I could be like that... (3x)
