

Backstabbing motherfuckers
What do they all say
They walk this over life for so long
If they don't watch together
They don't remember
They watch it for the life of...
That's what they all say

Keep shaking your hands at the enemy
I'll be slapped for so long
Better get this robber you say
Well I said
And they don't watch together
They don't remember
They're running for the life of...
That's what they all say

Rioters all dead
Rioters are...

They keep us locked up for so...
Don't rob this every week
They'll keep you locked all your time
And what about conscience for you
And I'll try to get you down
They'll keep you locked all your time
