

## Fade to Blue

.38 Special

Faded curtain, faded moon, through a broken sky  
Staring at a photograph, the ghost of you and I  
Those were times, yeah, those were good times that we shared  
We thought those nights would never end....

Should've seen it comin', runnin' with a fallen angel  
Livin' on a broken promise when the day is through  
Tryin' to make a life for us, I only knew it my way  
I'm just a shadow on the highway.....Fade to Blue.

I hear you cryin' in your sleep  
I can feel it 'cross the miles  
Love unspoken runs so deep  
Like the tears behind your smile  
Those were times, yeah, those were hard times that we had  
I'd even take them back again.....

Should've seen it comin', runnin' with a fallen angel  
Livin' on a broken promise when the day is through  
Tryin' to make a life for us, I only knew it my way  
Another shadow on the highway.....Fade to Blue.

.....I fade to...I fade to...I fade to blue  
(Every night I fade to blue)

There'll be times, girl, there'll be good times on the way  
I'll always be comin' back again.

[3rd Chorus]
