

One Time for Old Times

.38 Special

You're lookin' fine, it's been a long time
I still remember everything that used to be
Like the love, it's always so easy loving you for me
It's been a while now time has got a smile
I see you now love feels new to me
Tell me have you still got a place in your heart
Is there any chance you'll be showing me

One time for old times
One kiss for the love we missed
One time for old times
And for all the love that we lost along the way

It's still the same, nothing's really changed
Still got the look that always got through to me
I see you now, love feels new to me again, once again
Tell me now, has anyone taken my place
Is there any chance you'll come back to me

One time for old times
Honey, one kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
One time for old times
Darlin', one kiss for the love we missed
One time for old times
And for all the love that we've lost along the way

You're lookin' fine, it's been a long time
I still remember everything that used to be
Tell me have you still got a place in your heart
Is there a chance you'll be showin' me

One time for old times
Darlin', one kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
One time for old times
Honey, one kiss for the love we missed
One time for old times
And for all the love that we've lost along the way
