## **One Time for Old Times**

.38 Special

You're lookin' fine, it's been a long time I still remember everything that used to be Like the love, it's always so easy loving you for me It's been a while now time has got a smile I see you now love feels new to me Tell me have you still got a place in your heart Is there any chance you'll be showing me

One time for old times One kiss for the love we missed One time for old times And for all the love that we lost along the way

It's still the same, nothing's really changed Still got the look that always got through to me I see you now, love feels new to me again, once again Tell me now, has anyone taken my place Is there any chance you'll come back to me

One time for old times Honey, one kiss for the love we missed One time for old times And for all the love that we've lost along the way One time for old times Darlin', one kiss for the love we missed One time for old times And for all the love that we've lost along the way

You're lookin' fine, it's been a long time I still remember everything that used to be Tell me have you still got a place in your heart Is there a chance you'll be showin' me

One time for old times Darlin', one kiss for the love we missed One time for old times And for all the love that we've lost along the way One time for old times Honey, one kiss for the love we missed One time for old times And for all the love that we've lost along the way
