

## What's It to Ya?

.38 Special

Billy's got a fast car  
You know he works it so hard, cause he  
Knows it's gonna take him real far tonight  
Betty wears her short dress  
Loves to be the actress  
Lord, it could get reckless tonight

But then a cop pulls I'm over to interrogate  
He flashes his lights and gets it in their face  
And says: "Where do you think you're goin?"

What's it to ya  
We were only takin' in the sights  
What's it to ya  
Can a couple of kids have fun tonight?

Johnny plays it so loud  
Hangs out with the wrong crowd  
Well he plans to make his guitar his life  
Judy's acting so sweet  
But like little Miss Molly  
Ya know she loves to dance and shake it all night.

But when he brings her home she's four hours late  
Her parents scream it's your last mistake  
What have you been doin?
