

# Ain't No Maybe

3LW

This ain't no maybe, baby

Today is my day that I know fo sho  
Gotta speak first, gotta let you know  
In case you're wondering if I'm available  
If you think that I am , I am and if  
Something's on your mind, you should let it off  
I got time, maybe we should talk  
It's no coincidence when you're caught off guard  
You and me supposed to be baby...

I'm not trippin on your car or where you live  
It don't matter if your broke, we'll be struggling  
What I'm saying is that I will be your baby  
This ain't no maybe  
Ain't tryna get my thoughts all in your way  
I don't even want your chippers  
You're the one I wanna kick it with  
This ain't no maybe, is you feeling me

You'll have to pardon if I come on strong  
It's just that you got everything I want  
It's your character, the way you be  
It's so intriguing to me baby  
I like your braids and your thug appeal  
Keep it real  
How's about me and you on the low, what the deal  
Baby in case you haven't noticed  
Without you boy I'm so hopeless

I ain't trippin on your car or where you live  
It don't matter if your broke, we'll be struggling  
What I'm saying is that I will be your baby  
This ain't no maybe  
Ain't tryna get my thoughts all in your way  
I don't even want your chippers  
You're the one I wanna kick it with  
This ain't no maybe, is you feeling me

You make me weak in the knees  
I can't sleep, I can't eat  
I cant even think baby  
Can't even concentrate  
I can't even think straight  
See you need a lady  
Hey boy I wanna be your lady  
Let me be your baby  
I know that I'm the one for you  
Boy don't you know

I ain't trippin on your car or where you live  
It don't matter if your broke, we'll be struggling  
What I'm saying is that I will be your baby  
This ain't no maybe  
Ain't tryna get my thoughts all in your way  
I don't even want your chippers  
You're the one I wanna kick it with

This ain't no maybe, is you feeling me

I wanna be your lady

No actin shady

And I put that on everything

I wanna be your lady

No actin shady cuz I'm your baby

And I put that on everything, everything...
