# Gotta Be You

It's gotta be you (Bop ya heads to this)
It's gotta be you
No one else can do all the things you do
I miss the way you feel
Can't believe you're gone for real
I gave it all I had
A lovers paradise gone bad
I see you in the movies
And on the paper
And every face I know
I'm trying to forget you
But I can't girl
True love is not for sure
It's gotta be you
No one else can do all the things you do
It's gotta be you
Give me on more chance to get back to you
It's gotta be you
It's gotta be you
Really what I need
Really what I know
And I really know I really want you back
You got me like a zombie, nymphomaniac
Gettin' none
See ya really miss my little kitty cat
It's gettin' kinda crazy
Ground's gettin' shaky
Got myself a triple and everything is black
Chronic like a bomb
Blow me up
And now you're gone
'Cause your nappy-headed friends

Say I'm bad, that's a fact
I see you in the movies
And on the paper
And every face I know
I'm tryin' to forget you
But I can't girl
True love is not for sure
It's gotta be you
No one else can do all the things you do
It's gotta be you
Give me one more chance to get back to you
It's gotta be you
I need a second chance
I need some time to understand
Is this how it all will end
No explanations in your game
Bop your heads to this, come on y'all
It's gotta be you
I have to say girl
I guess I got you wrong
I hear it on the grape vine
That you're not mine
Now I've gotta let you know
It's gotta be you

No one else can do all the things you do
It's gotta be you
Give me one more chance to get back to you
It's gotta be you (It's gotta be you)
It's gotta be you
(Gotta be you)
