

## Drown

40 Below Summer

Chase this tease into the open wave  
And take this leash into your inner slave  
Follow me into the open end  
Now gather these pieces of broken man

I will set in motion - to open me up again  
I will make the ocean - swallow me up and then  
DROWN

Close this cell - imprison your only friend  
And I can't kill - but I'm not so innocent  
Rid this place of me and everyone  
And change this face to burn in the sun

I will set in motion - to open me up again  
I will make the ocean - swallow me up and then  
DROWN

Stop this life - I can not stop this life  
I can not stop this life - I can not die
