

Yo! I park my ride on the left side,
I'm feeling kind a-ight 'cuz I know
That my stupid ass is gonna get drunk tonight
A quick view to the backyard, my boys are all there
So high 5's everywhere. a well known smell
From the inside so who got the endo
I wanna know 'cuz my brain said so
So i followed the fog until the heart of the party
Chilli palmer with a blunt and a glass of bacardi
Yo, it's all good but something is missing
I don't know what it is and i have to go pissing
But there's somebody knocking at the door
And right about now i'm looking at a girl that I never saw before
Right about now I start to stare
Oh fuck it my eyes are ready see her bare and kane says:
