

Older

5 Seconds of Summer

[Intro: Luke Hemmings]

I don't wanna get older
Without your head on my shoulder
On the day that you leave me
I'll forever be bleeding, love
As forever comes closer
Hope the world will spin slower
I don't wanna get older
I don't wanna get older

[Verse 1: Luke Hemmings & Sierra Deaton]

Stare at the photograph
Suddenly takes me back
The promises roll off your breath
In your cocaine-coloured wedding dress
Lost in the day-to-day
You kiss away the pain
Oh, every time you twist my lips
My dear devoted delicate

[Pre-Chorus: Luke Hemmings & Sierra Deaton]

It's not worth it if I lose my one-way ticket for two
Just me, just you

[Chorus: Luke Hemmings & Sierra Deaton]

I don't wanna get older
Without your head on my shoulder
On the day that you leave me
I'll forever be bleeding, love

As forever comes closer
Hope the world will spin slower
I don't wanna get older
I don't wanna get older

[Verse 2: Luke Hemmings & Sierra Deaton, Sierra Deaton]

Our love is tailor made
But we let the edges fade
Your wicked smile, it says it all
Mixed with my sad and cynical (Hmm)
No tragedy at the end
No, nothing Shakespearean
It all comes flooding back again
My dear devoted delicate

[Pre-Chorus: Luke Hemmings & Sierra Deaton]

It's not worth it if I lose my one-way ticket for two
Just me, just you

[Chorus: Luke Hemmings & Sierra Deaton]

I don't wanna get older
Without your head on my shoulder
On the day that you leave me
I'll forever be bleeding, love
As forever comes closer
Hope the world will spin slower
I don't wanna get older
I don't wanna get older
