They say I don't sound like a killer well how a killer sound I bet I grab a foe pound and back that ass down

See many men live baby and many men die

Many men get drunk puff lah and stay high

Here's a jewel love you enemies and hate your friends

Your enemies remain the same friends always change

I don't quit that theres more that one way to skin a cat

You can get him in the face dog or down his back

All bullshit aside now its time to be honest

I fear no man for death is all thats promised

I got niggas standin in line waitin to hear me spit

From eighty six to ninety six the game went from sugar to shit

This for you niggas in the background dyin to shine

I hate you like fiends who ask for a dime for nine

Don't nothin change in the game but faces and names

Skate to wait to date and the jake
