Ski Mask Way

Yeah I'm Tryin to catch me sumthin I'ma catch you sumthin nigga that watch is nice that's what you bought from me that chain is nice that's what you bought from me them earrings is nice That's what you bought from me? Take that shit off, move I'll break you off properly I get mine the fast way, ski mask way Make money Make money, money, money nigga if you ask me It's the only way Take money Take money, money, money You wanna spray at me? Go head The last nigga that tried Got hit, keeled over, and bled 'til he died Ya little sister callin you stupid Reason why? Her and ya momma in the livin room now hog-tied I came up wit two new ways to get rich I cant wait Got a brand new cig and that old thirty eight I be scheming to put a lil' bread on my plate Watchin Dre serve skunk through the hole in the gate I stick a nigga for his shine sell em' back the next day You thought I really wanted ya pussy bitch please This is stash house, jack pot, leave her them keys My black g-unit hoody just reak of marijuana Cocaine comin out my pores in the sauna Im serious man I'm so sincere This the flow right here that fucked up Jeffery's career Make money, take money Yeah nigga yeah nigga that watch is nice that's what you bought from me that chain is nice that's what you bought from me them earrings is nice That's what you bought from me? Take that shit off, move I'll break you off properly I get mine the fast way, ski mask way Make money Make money, money, money nigga if you ask me It's the only way Take money Take money, money, money

Whos dat peepin in my window

50 Cent

Wow The feds on me now They know when im sleepin They know when im wake I know they got my phone taped im screamin fuck jake Im tryin to stay out them pens, so I switched states Bad news V-A now that sounds great I see niggas wit that ice on, rims shined up This towns one big pussy waitin to get fucked I holla at A-I peoples to get gats They charged me 500 a piece for two macs Then im back doin me Im back out on a spree Catch me n' niggas slippin out pumpin dat D Give me a lil' crew I'll have em' pumpin for me The more product I take the more paper we see Change my name in N-Y they don't know where I be Yeah a nigga doin dirt but a nigga low key

nigga that watch is nice that's what you bought from me that chain is nice that's what you bought from me them earrings is nice That's what you bought from me? Take that shit off, move I'll break you off properly

I get mine the fast way, ski mask way Make money Make money, money, money nigga if you ask me It's the only way Take money Take money, money, money
