

Beautiful Life

7eventh Time Down

Monday's off to a rough start
Just locked the keys in my car
Cell phone sitting in the front seat
Is this week out to get me?
Kids screaming in the background
I take a breath
Thank God
For all He's done

It's a beautiful life
Gotta open my eyes
Take it day at a time
Don't let a moment pass by
It goes so fast
I'm realizing
Each day is a gift that's given
Slow it all down
So I don't miss a thing
God's got something for me
In this beautiful life

I know we all have days
When heaven feels so far away
Right now would You help me see
One glimpse of what You're doing?
In the middle of the chaos
I take a breath
Thank God
For all He's done for me

It's a beautiful life
Gotta open my eyes
Take it day at a time
Don't let a moment pass by
It goes so fast
I'm realizing
Each day is a gift that's given
Slow it all down
So I don't miss a thing
God's got something for me
In this beautiful life

In everything I will praise You
I find the beauty in all I'm going through

It's a beautiful life
Gotta open my eyes
Take it day at a time
Don't let a moment pass by
It goes so fast
I'm realizing
Each day is a gift that's given
Slow it all down
So I don't miss a thing
God's got something for me
In this beautiful life
