

Let Me Tell You

7eventh Time Down

I've never gotten over being saved
So I can't stop singing songs about grace
When people ask me how I've changed
I can honestly say say say say say

Let me tell you about my Jesus
He carried me when I was weakest
Let me tell you about my Jesus
He made a way for me to walk in freedom
When people ask me how I've changed
I just smile inside and say
Let me tell you about Jesus

Let me tell you, let me tell you, let me tell you
Let me tell you about Jesus
Let me tell you, let me tell you, let me tell you

There's something overwhelming about the cross
I was me that should've died that day
But Jesus paid it all for me So if
You're trying to understand grace
I can honestly say say say say say

Let me tell you about my Jesus
He carried me when I was weakest
Let me tell you about my Jesus
He made a way for me to walk in freedom
When people ask me how I've changed
I just smile inside and say
Let me tell you about Jesus

Let me tell you, let me tell you, let me tell you
Let me tell you about Jesus
Let me tell you, let me tell you, let me tell you

Jesus, Jesus, there's just something about that name
Jesus, Jesus, there's just something about that name

Let me tell you about my Jesus
He carried me when I was weakest
Let me tell you about my Jesus
He made a way for me to walk in freedom
When people ask me how I've changed
I just smile inside and say
Let me tell you about Jesus

Let me tell you, let me tell you, let me tell you
Let me tell you about Jesus
Let me tell you, let me tell you, let me tell you
