

Make It Count

7eventh Time Down

I've been thinking about my life
I've been thinking about my life
It's so good, it's all good
The devil's trying to stress me out
The devil's trying to stretch me out
He's no good, he's no good

Right now it's a new day
Another chance to live your life the God way
Before the light burns out
Before the time runs out

Lets make it count (Oh...)
Lets make it count (Oh...)
Right now it's a new day
Another chance to live your life the God way
Lets make it count (Oh...)
Lets make it count

Have you thought about your life today
Are you living in that light?
His way is so good, It's so good
Are you giving love away
And are you keeping up that faith
It's real good, for real good

Right now it's a new day
Another chance to live your life the God way
Before the light burns out
Before the time runs out

Lets make it count (Oh...)
Lets make it count (Oh...)
Right now it's a new day
Another chance to live your life the God way Lets make it count (Oh..
.)
Make it Count

Here I am with open hands
I'm thankful and I'm grateful
I'm available and I'm willing, I'm willing Here I am with open hands
I'm thankful and I'm grateful
I'm available and I'm willing, I'm willing

Lets make it count (Oh...)
Lets make it count (Oh...)
Right now it's a new day
Another chance to live your life the God way
Lets make it count (Oh...)
