

## Duster

8 Bit

I took the duster,  
And that's no joke.  
Everybody 'round me  
Seems like my bloke,  
'Cause I took the duster.  
My friends are cool.  
We all hang together  
And we all old school.  
New school, bullshit.  
Just take a hit,  
Of the duster-  
You can't get enough of it.  
It's the shit.  
And I ain't talkin' no shit  
About the.. shit  
That they call... my bitch.
