

Between The Devil And Two Black Hearts

8mm

What you're doing, drive me you of my
mind
And what you're saying, baby it ain't kind
What you're asking, it's plain to see
You're the devil and you're killing me

What you're doing, baby it ain't right
What you're saying, no truth inside
What you're after, it's plain to see,
Cause you're the devil and you're killing
me
What you're thinking um you keep out of
sight
Serve a bad need, oh in the dead of night
What you're playin' , it's plain to see,
You're the devil and you're killing me

Between the devil, and two black hearts
Can we ever leave? ever leave the dark
Yeah between the devil and the two black
hearts
Can we ever leave? Ever leave, ever leave
the dark
