

Heartbreaks

Mistakes

We will make it right that's what we are

We lost our way

How we pulled it back shows what we are

A feeling so strong can take us anywhere

We keep building that road that's gonna take us there

Nothing can break us

Haven't we proved that

We're living proof that

No matter what they do or they say

We won't let nobody ever stand in our way

That's what we are

We are, we are, we are, we are, we are, we are

Two hearts one love

We are, we are, we are, we are, we are, we are

Two hearts one love

If holdin' my breath was a symbol of love

If that was true I'd never wanna breathe again

'Cause my love

Is your love

We're just like a circle it never end

We can start it again

A feeling so strong can take us anywhere

We keep building that road that's gonna take us there

Nothing can break us

Haven't we proved that

We're living proof that

No matter what they do or they say

We won't let nobody ever stand in our way

That's what we are

We are, we are, we are, we are, we are, we are

Two hearts one love

We are, we are, we are, we are, we are, we are

Two hearts one love

Two hearts one love

Two hearts one love

Two hearts one love

'Cause that's what we are

Two hearts one love

Two hearts one love

Two hearts one love

That's what we are

No matter what they do or they say

We won't let nobody ever stand in our way

That's what we are

We are, we are, we are, we are, we are, we are

Two hearts one love

We are, we are, we are, we are, we are, we are

Two hearts one love

No matter what they do or they say
We won't let nobody ever stand in our way
That's what we are
We are, we are, we are, we are, we are, we are
Two hearts one love
We are, we are, we are, we are, we are, we are
Two hearts one love
