

I'm not saying
Tierd of playing
My word against your word
Who's that talking
Talk talk talking
My ways not your ways

Oh I'm so tierd of sitting here
Need to get a few things clear

Gimme gimme gimme gimme
Direct action briefing

Got no time to feel misplaced
Loocking out in all this waste
I'm not saying
My word against your word
Who's that talking
Talk talk talking
My ways not your ways
All these people hanging on

To something they cant prey upon

I don't want your instant debt
Computer cars and rent a set
Gimme gimme gimme gimme
Direct action briefing
Never staying in one place
Getting in this human race

Direct action briefing
Direct action briefing

You can keep your stocks and shares
Credit cards and french Au Pairs
