

# I Love You

A Band of Bees

If you were there i would say hello  
but baby i love you but you cant denie  
whenever i see you , you always warming  
my heart up

so baby i want you  
so baby i want you  
i love you more  
i love you more  
i love you more  
just beleive yea

any other day i be by you i just cant  
beleive its a miricle to know life is by your  
side just sing

so baby i want you  
so baby i want you  
i love you more  
i love you more  
i love you more

just beleive
