

Hostages

A.C. Newman

All this is growing, we don't stay the same size
Slow down, let me speed up sometimes,
And we'll surprise, and we'll surprise.
And when you get the good news
You get what you want and you don't know what to do.

Is a thin line between taking on and off the tree life
And being on the run is just your path
Now watch us fly, just a gluck over by
Watch us fly, now we've got hostages, too
If we don't get what we want now you don't know what
we'll do.

What to do with the with the silvery mirror and the new
ring
With the wrinkles in our little stars time and time
again.
High fives all around we can speed off the surface.
You were like a child but you think that you're broken.

We're lucky, lucky 'cause we don't like to lose
We're crawling through the failures for clues
And we're back for appliances, you can put your with
mine,
Back for appliances, you stand for hostages, too
If we don't get what we want now you don't know what
we'll do.

What to do with the with the silvery mirror and the new
ring
With the wrinkles in our little stars time and time
again.
High fives all around we can speed off the surface.
You were like a child but you think that you're broken.

What to do with the with the silvery mirror and the new
ring
With the wrinkles in our little stars time and time
again.
High fives all around we can speed off the surface.
You were like a child but you think that you're broken.
