## **Over My Head (Cable Car)**

## A Day to Remember

I never knew I never knew that everything was falling through That everyone I knew was waiting on a queue To turn and run when all I needed was the truth But that's how it's got to be It's coming down to nothing more than apathy I'd rather run the other way than stay and see The smoke and who's still standing when it clears Everyone knows I'm in Over my head Over my head With eight seconds left in overtime She's on your mind She's on your mind Let's rearrange I wish you were a stranger I could disengage Just say that we agree and then never change Soften a bit until we all just get along But that's disregard Find another friend and you discard As you lose the argument in a cable car Hanging above as the canyon comes between Everyone knows I'm in Over my head Over my head With eight seconds left in overtime She's on your mind She's on your mind Everyone knows I'm in Over my head Over my head With eight seconds left in overtime She's on your mind She's on your mind And suddenly I become a part of your past I'm becoming the part that don't last I'm losing you and its effortless Without a sound we lose sight of the ground In the throw around Never thought that you wanted to bring it down I won't let it go down till we torch it ourselves Everyone knows I'm in Over my head Over my head With eight seconds left in overtime She's on your mind She's on your mind
