

Almost Lover

A Fine Frenzy

Ami

Your fingertips across my skin

The palm trees swaying in the wind

Ami

You sang me Spanish lullabies

The sweetest sadness in your eyes

C

I never want to see you unhappy

Dmi

G

I thought you'd want the same for me

C

Goodbye, my almost lover

G

Goodbye, my hopeless dream

Dmi

I'm trying not to think about you

F

Can't you just let me be?

So long, my luckless romance

My back is turned on you

I should've known you'd bring me heartache

C

Almost lovers always do

We walked along a crowded street

You took my hand and danced with me

Images

And when you left you kissed my lips

You told me you'd never

ever forget these images, no

I never want to see you unhappy

I thought you'd want the same for me

Goodbye, my almost lover

Goodbye, my hopeless dream

I'm trying not to think about you

Can't you just let me be?

So long, my luckless romance

My back is turned on you

I should've known you'd bring me heartache

Almost lovers always do

Ami

G

I cannot go to the ocean

Dmi

I cannot drive the streets at night

Emi

I cannot wake up in the morning

Ami

Without you on my mind

G

So you're gone and I'm haunted

F

And I bet you are just fine

Dmi

Did I make it that easy

G

To walk right in and out of my life?

Goodbye, my almost lover

Goodbye, my hopeless dream

I'm trying not to think about you

Can't you just let me be?

So long, my luckless romance

My back is turned on you

I should've known you'd bring me heartache

Almost lovers always do
