## **Theres your Threat**

## **A Global Threat**

knock down our cemetery plot we must have gave what we got quess NYSE and them just weren't that but the butcher cut the wrong fat better shop and save up cures deadbolt all the doors, there's your threat maximum told us to shove it six o'clock anchors said they were right 'till time ran out for their kind now it seems anyone on the fence before skipped a thousand paces to knock on a far side's door is that why i'm face down in bed TV in a fuzz don't you wish it would go back to like it was? is that selfish of us? better shop and save up cures deadbolt all the doors
