

## The End

### A Life Divided

This is the end my dear  
Today we're gonna die  
There's no way out of here  
You better stop to try  
Time, wasted time  
Life is a lie

This is the end my love  
It's time to say goodbye  
There's no escape for us  
No chance to save our lives  
Life, wasted life  
Time is a lie

Welcome your demons  
Killing your freedom  
Welcome the dawning  
That shines through the pouring rain

Today's the day my friend  
Where no one hears our cries  
We're waiting for the end  
Can't find a place to hide  
Time, wasted time  
Life was a lie

Welcome your demons  
Killing your freedom  
Welcome the dawning  
That shines through the pouring rain

I don't like this world here anyway  
I think we gotta find another place  
Shut your eyes I'll take you far away  
Stop the crying, stop the crying  
(3x)
