

Devil Came with a Smile

A Pale Horse Named Death

Hey son gotta get on the gun
You're gonna go real far with that black guitar
I'll tell you what, if you wanna be smart
Just sign with me and I'll make you a star

Devil came to me with a smile
He said sign on the dotted line
I'll make you rich and I'll make you famous
I'll put you in a place that's shameless

Right now in the back of the bus
I got lines of coke and sinful lust
I sold my soul to get to the top
Number one on the American rock charts

Devil came to me with a smile
He said sign on the dotted line
I'll make you rich and I'll make you famous
I'll bring you girls that are contagious

This week I fell off hard
The label dropped me and I lost my car
I overdosed twice and did some time
All because I had to be a rock star

Devil came to me with a smile
He said sign on the dotted line
I said what happened to being famous
He's got plenty of new replacements

Why did I have to
Believe in someone like you
Why did I have to
Be the one that's fooled

Devil came to me with a smile
He said sign on the dotted line

I'll make you poor and I'll make you homeless
I'll put you in a grave that's nameless

Devil came to me with a smile
He said sign on the dotted line
I'll use you up and break you down
I'll put you six feet in the ground
