Sleeping Beauty

A Perfect Circle

Delusional I believe I can cure it all for you, dear Coax or trick or drive or drag the demons from you Make it right for you sleeping beauty Truly thought I can magically heal you

You're far beyond a visible sign of your awakening Failing miserably to rescue

Sleeping Beauty

Drunk on ego Truly thought I could make it right If I kissed you one more time to Help you face the nightmare But you're far too poisoned for me Such a fool to think that I can wake you from your slumber That I could actually heal you..

Sleeping Beauty Poisoned and hopeless You're far beyond a visible sign of your awakening Failing miserably to find a way to comfort you

Far beyond a visible sign of your awakening And hiding from some poisoned memory

Poisoned and hopeless Sleeping Beauty
