

You're waiting (you're waiting ...)  
On miracles (on miracles ...)  
We're bleeding out (bleeding out ...)

Thoughts (thoughts ...)  
And prayers (prayers ...)  
Adorable (crisis ...)  
Like cake in a crisis (in a crisis ...)  
We're bleeding out (bleeding out ...)

While you deliberate  
Bodies accumulate

Sit and talk like jesus  
Try walking like jesus  
Sit and talk like jesus  
Talk like jesus  
Talk talk talk talk  
Get the fuck out of my way

Don't be the problem, be the solution  
Don't be the problem, be the solution  
Don't be the problem, be the solution  
Problem, problem, problem, problem

Faith without works is  
Talk without works is  
Faith without works is  
Dead, dead, dead, dead

Sit and talk like jesus  
Try walking like jesus  
Sit and talk like jesus  
Try walking like jesus  
Try braving the rain  
Try lifting the stone  
Try extending a hand  
Try walking your talk or get the fuck out of my way
