```
Oh she loves me
oh she loves me not
oh she loves me
oh she loves me not
oh she loves me not

oh she want me
oh she want me not
oh she want me
oh she want me not
oh she want me not

release me

oh she needs me
oh she needs me not
oh she needs me
oh she needs me not

release me
release me

oh she loves me
oh she loves me not
oh she want me
oh she wants me not
oh she wants me not

release me

oh she want me
oh she want me not
she forget me, don't forget me
oh forget me not
release me....
```
