

## Miles Apart

A.R. Kane

And it really doesn't matter if you break my heart  
Just as long as we're together I will fall apart  
in my heart we're miles apart  
and it really doesn't matter what you say to me  
Just as long as we're speaking  
in my heart we're miles apart  
And the sad sad song goes on and on  
The sad sad song goes on and on  
In my heart we're miles apart  
And the sad sad song goes on and on  
The sad sad song goes on and on and on...  
just because we won't start over doesn't make it so  
in my heart we're miles apart  
And the sad sad song goes on and on  
The sad sad song goes on and on  
In my heart we're miles apart  
And the sad sad song goes on and on  
The sad sad song goes on and on and on  
and it really doesn't matter if you're mad at me  
And it really doesn't matter how you fall apart  
And it really doesn't matter if you break my heart
