

## A New Dawn

## A Whisper in the Noise

Is anyone awake here?...

Is anyone afloat?...

Weakened by the hunger to be reborn?

Either way the tempered be heedful of source

Yet neither obsequious or of remorse

Oooh

I wait for a new dawn

To hold something more than something of old

Are you yet awake, dear, upon qui vive?

Please don't feel mistaken of faction to be

The air of acedia begets the thunder beings

Destitution rings, love, recall the dream

Oooh

I wait for a new dawn

To hold something more than something

I refrain

I feel the same

Cause I really want to

I really want to I really want to stay

I really want to I really want to I really want to stay

I really want to stay for something

I really want to stay

Please don't forget what the thought burns away
