

## The Sound Of Longing

### A Whisper in the Noise

I hope to be happy  
At the end of this life  
I hope to sleep soundly  
For all of time  
Holding to nothing  
And feeling no care  
To all of this world  
Cruel and unfair  
I won't look back  
Even though I will want to  
I'll hold me back  
Even though I won't want to  
I'll be leaving, alone.
