

All I Need

Aaliyah

I, I wanna love ya (2x)

Baby ever since I found you,
Seems like everyday I've been happy,
See the way you love me,
Turns me out, baby I can feel my heart beat,
Seems like lately I've been thinkin',
Feelin', that you are everything,
Feels like more and more,
I'm hoping that you are the only

All I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything is you.
Baby you're all I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything that's you.

Baby usually when you do me,
Keepin' me straight,
Show me all your lovin',
Baby it is so amazing,
Never dreamed I'd be cravin' to be open,
Never knew I would realize real love,
Always thought it was a joke and
Didn't know it, now I realise and real love
And, baby, I'd been hopin',
That'd you,
Stay right here with me,
Give me all, give me all,
All the love I need,
Baby you're all, all I need.

All I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything is you.
Baby you're all I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything that's you.

I don't want nobody but you,
I don't need nobody but you,
Said I don't want nobody but you,
'Cause I don't love nobody but you.

I, I wanna love ya (4x)

All I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything is you.
Baby you're all I need,
All I need,
All I need is you.
Baby you're everything,
Everything,
Everything that's you.
