

# I Am Music

Aaliyah

Music is what I live for  
Music is what I'm here for  
Music is what I live for  
Music is what I'm here for

I'll be with you on your way to work  
When your car turns on, you'll probably hear me  
You can't run, you'll come without me  
Wanna deal, cost you a hundred G  
I am, I am

'Cause I am music  
I'm melodies and harmonies, stereo and mono  
I'm the radio, the radio  
I said I am the music, I'm simply your beats  
Tempos and drum rolls  
I'm in the radio, the radio

I'll meet you at a summer jam  
I'm with you p.m. or a.m.  
I work out with you when you're at the gym  
And when you clean the house, I'll be in the den  
'Cause I am

I am music  
Melodies, harmonies, mono, stereo song  
I said I am the music, simply your beats  
Tempos, drum rolls, song

You may find me at a shopping mall  
I'm not buying but I'll be for sale  
I'll be your theme in one of your talent shows  
You might even hear me at a restaurant  
'Cause I am

I am music  
Melodies, harmonies, mono, stereo song  
Said I am music, simply your beats  
Tempos, drum rolls, song

Aaliyah, ohh  
Yes, I am, hey, hey  
Your music  
'Cause all I am hey, I am sweet music  
Hey, aay, hey, ayy aay

I am music  
Melodies, harmonies, mono, stereo song  
I said I am music, simply your beats  
Tempos, drum rolls, song
