## **Journey To The Past**

Heart, don't fail me now! Courage, don't desert me! Don't turnback Now that we're here People always say Life is full of choices No one ever mentions fear! Or how a road can seem so long How the world can seem so vast Courage see me through Heart I'm trusting you On this journey...to the past

Somewhere down this road I know someone's waitingg Years of dreams Just can't be wrong Arms will open wide I'll be safe and wanted Fin'lly home where I belong Well, starting here, my life begins Starting now, I'm learning fast Courage see me through Heart I'm trusting you On this journey...to the past

Heart don't fail me now! Courage don't desert me!

Home, Love, Family There was once a time I must have had them too Home, Love, Family I will never be complete Until I find you...

One step at a time One hope, then another Who knows where This road may go-Back to who i was On to find my future Things my heartstill Needs to know Yes, let this be a sign! Let, this road be mine! Let it lead me to my past Courage see me through Heart I'm trusting you To bring me home... At last! At Last!
