## A Hard Nut To Crack

## **Aaron Neville**

I play the game of the modern romeo but never in my life did I see A woman as square as a pool table and twice as green I gave you all of my money and all of my loving too But now you're goin' around just a telling everybody that I mad e a fool of you Girl I love you so, why I love you I just don't know I ask the man from up above, help me to save your love I want you You're a hard nut to crack You take a strong man and break his back I don't know but I've been told, next to you my life's been col d You're a demon, Girl, you know you're outta sight Girl I love you so, why I love you I just don't know Ask the man from up above, help me to save your love I want you Know the guy you're giving my money And you come home and call me honey You look like you made a resolution, took my best friend John a nd put him in an institution You're a demon, Girl you know you're outta sight

Girl I love you so, why I love you I just don't know I ask the man from up above to help me to save your love I want you You're a hard nut to crack
