

## Don't Cry

Aaron Neville

Don't cry, don't cry, little darlin' don't cry  
I'll not say my last good bye  
Whoa, so don't cry, don't cry,  
Little darlin' don't cry  
Cause I'll return someday

So don't weep, don't weep, little darlin'  
No, no don't weep  
My heart tells me you're in love with me  
Whoa, so don't weep, don't weep,  
Little darlin' don't weep  
Cause I'll return someday soon

(To take you in my arms)  
And to squeeze you tight  
(To capture all your charms)  
Every, every, every day now  
Don't cry, don't cry, little darlin'  
No don't cry  
I'm not saying my last good bye  
Whoa, no don't cry, don't cry,  
Little darlin' don't cry  
I'll return someday,  
Someday soon (someday soon)

Whoa, don't cry, don't cry, little darlin'  
Don't, don't you cry  
Cause I'm not saying my last good bye  
Whoa, don't cry, no, no, no, don't cry
