

# La Vie Dansante

Aaron Neville

They can come take it all away  
Break you heart by the light of day  
Drown your love in a distant bay so lonely

See the ships heading for the rocks  
See the time melting over the clocks  
There's a light shadows all  
The rocks that saves me  
It saves me

That's why I wander and follow La Vie Dansante  
On the night wind that takes me  
Just where I want  
That's all I want  
La Vie Dansante

Miss the beat if you close your eyes  
Every night wears a new disguise  
And I live when a new surprise surrenders

Feel it all with a willing heart  
Every stop, there's a place to start  
If you know how to play the part with feeling  
I play with feeling

Why don't you wander and follow La Vie Dansante  
On the night wind that takes you  
Just where you want  
That's all you want

La Vie Dansante

That's why I wander and follow La Vie Dansante  
On the night wind that takes me  
Just where I want  
That's all I want  
La Vie Dansante
